Season Notes

- Renfrew field is St Joes, Opeongo's is Eganville Legion Park and AMBUSC's is Dockhart
- Games in Renfrew and Eganville begin at 7:00. Games in Arnprior start at 7:15 as field in use between 6:00 and 7:00 and the girls need warm up time.
- Game length: Two 35 minute halves
- Cross over games with Deep River and Petawawa are Sat June 7th in Renfrew and July 12th in Petawawa.
- (Crossover weekend games between teams 1 VS 3 and 2 VS 4 will count in league standings to balance the season so each team plays the other teams twice)
- * May 26th and June 9 games moved from Renfrew to Eganville and Arnprior as no fields were available in Renfrew.
- No games June 30 because it is a long weekend.
- The team with the bye could organize an exhibition game for that week if they wished.
- (Potential conflict July 14th in Arnprior with both U14Girls teams playing at home. There is a conflict if both the women's team and U10 boys competitive teams have home games as there would be 3 fields for 4 games.)
